

More Results In Less Time

All facilities worldwide are part of the battle against COVID-19, during which time cleanliness plays a crucial role. Every minute counts. Choose the most efficient cleaning equipment for your business

Cleans Faster, Lowers Labour Costs

The i-mop family cleans up to 70% faster than conventional wet mopping and up to 30% faster than conventional auto scrubbing. The i-mop and its ability to get right to the edge and under obstacles means a virtual elimination of manual operations that are required to supplement conventional machine scrubbing

Comparative Productivity of i-mop

Time to clean 100m²

i-mop
5 minutes

Auto Scrubber
5 minutes

but cannot do obstructed
or small spaces

Wet mop
55 minutes
